

DRUM SET AUDITION: Ferris Jazz Orchestra

INSTRUCTIONS:

You will be asked to play in a few different styles and tempos on the drum set. What We are looking for is a proper feel and groove for each of the indicated styles listed below.

During your audition, you will be playing with a recorded bass at the indicated tempos.

With the indicated grooves, you can look them up on YouTube, from a teacher, from a book – whatever make you comfortable! Feel free to embellish the groove beyond the written notation and have fun with.
