

Ferris High School Band

Concert Performance Attire Information

Concert Band/Wind Ensemble

Jazz Band/Jazz Orchestra /Advanced Percussion: **Tuxedo**

The tuxedo wearing members of the bands will purchase a tuxedo from Southeastern Performance Apparel for the school year. The tux rental for the jacket, pants, and tie is \$115. You will need a pair of black dress shoes (Payless is the way to go) and a white dress shirt (they are very inexpensive at places like Value Village or Goodwill). We will have a size line for students to try on the jacket and pants to ensure the proper fit before ordering. Tux fitting will take place during class (the opportunity to pay with credit card will be available online – see the payment information on the website). The tuxedos will be delivered the second week of October.

Concert Band/Wind Ensemble

Jazz Band/Jazz Orchestra /Advanced Percussion: **Dress**

The dress wearing members of the band purchase a dress for concert performance. The dress for this school year is one that will be used by the band for the next few years. Click the link on the band website for the Wind Ensemble / Concert Band / Advanced Percussion dress order form and follow the easy instructions to order the dress. If you have any questions regarding the dress order, I encourage you to call Southeastern Apparel directly, they are very helpful. We need to make sure the dress is ordered and scheduled to arrive before the first concert (Oct. 28). **PLEASE open and follow the dress instructions on the website.** It takes about 6 weeks for the dress to arrive once ordered. I have extra dresses that can be used for all the ensembles if you are unable to purchase a new one for yourself. Please contact me directly for more information.

CONCERT BAND / WIND ENSEMBLE / ADVANCED PERCUSSION DRESS: Ostinato

Drum Line (Intermediate Percussion):

The members of the Drum Line need to have black pants and black shoes. Drum Line members will be expected to purchase their individualized performance button down shirt. Order of the shirt will take place the first two weeks of school and the cost is approximately \$40.
